
ROBERT GOSNELL SCREENWRITING SERVICE

July 21, 2009

To Whom It May Concern,

I am writing this as a letter of recommendation for Julian Jung Lee in support of his endeavors in feature film production.

I have known Julian for more than fifteen years, on both a professional and personal level. During my twenty-five years as a professional screenwriter, I have worked with many producers, but few have achieved the level of success in the development and funding of independent films as has Julian. Two of my own screenplays were funded and produced as a result of his diligence, hard work and perseverance, traits which he exhibits in every aspect of his life.

I feel that Julian's life story and background in martial arts, as well as in film production, give him the vital tools for success, and that he will excel in all he attempts. It is my sincere hope to continue to do business with Julian, and to always count on him as a friend.

Sincerely,

Robert Gosnell
